

Rental Units – Important Notice to Owners

Dear Unit Owners,

There are currently four (4) units rented, and an additional four (4) units up for rent, which would result in a total of eight (8) rental units.

As previously discussed, the Board has agreed to keep the maximum number of rental units at eight (8) total.

Moving forward, any owner who wishes to rent their unit must notify the Board in writing so they can be added to the waiting list. As rental slots become available, units will be approved in the order requests are received.

Per the By-Laws, the Board determines how many rental units are permitted, provided that this number does not have a detrimental effect on the property.

Thank you for your attention to this matter.

Sincerely,

Cnergy Property Management
